

# Validate Your Faster Payments Expertise

**Faster payments are here to stay, and with Same Day ACH, RTP®—plus whatever comes next—it's more important than ever to be prepared.**

The Faster Payments Professional (FPP) certificate is a first-of-its-kind program providing professionals with holistic views of faster payments and getting them acquainted with current offerings. Earning this certification demonstrates your proficiency in the faster payments field.

Look for Faster Payments Professional (FPP) training later this year, offered exclusively by the Payments Associations.
