Keeping the Rules Close at Hand

Electronic Products offer Convenience & Flexibility

Users of the previous *Rules* CD-ROM product will enjoy the modern conveniences and flexibility of the Online Resource (web-based) and Digital Access (ebook) products. For the online resource (web-based) and digital access (ebook) products we can provide you with either the codes via email or self-mailer packages.

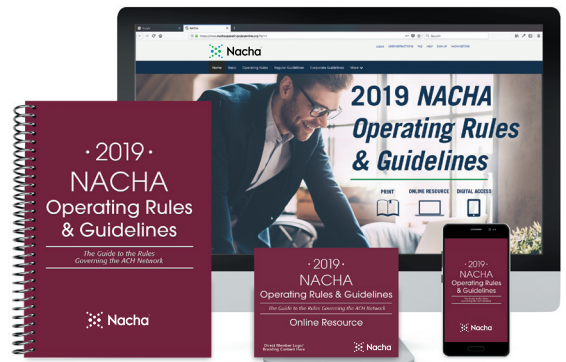

Online Resource (web-based)

premium access interactive website is a full HTML5 tool with responsive design allowing for quick reference browsing with copy/printing options and powerful keyword/phrase search and bookmarking functionality

Digital Access (ebook)

static version, most like the CD-ROM in content display, Adobe-based (eBook) product provides convenient, read-only access with search features

What's included in the Self-Mailer Packaging?

The new professional self-mailer packaging includes the online resource premium subscription or digital access codes and the related user instructions that you can purchase for your own use or to provide to your customers and business clients.
