Operating Rules Online Resource

DIGITAL ADVERTISING

Reach Payments Professionals.

Target an Audience Involved in ACH.

About the *NACHA Operating Rules Online Resource*

The ACH Network is the driving force behind the way consumers and businesses access and transfer funds. The *NACHA Operating Rules & Guidelines* is the foundation needed for every ACH transaction. Understanding the *Rules & Guidelines* is essential for organizations, ensuring efficient ACH payments, strengthening risk management practices and minimizing returns and exceptions. Available in Basic and Premium versions, the interactive website provides ACH Network user participants with enhanced keyword search, navigation, bookmarking capabilities and print and copy options.

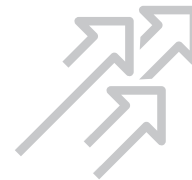

Advertising on the 2019 *NACHA Operating Rules Online Resource* provides exposure to more than 29,000 payment professionals.
